

REMARKS

In the office action, claims 9, 10 and 15 been rejected under 35 U.S.C. §112, second paragraph. In response, Applicants have amended claim 15, and provide the following remarks. Claims 9, 10 and 15 are currently pending in the application.

Rejection Under §112

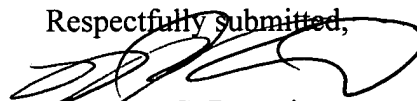

Claims 9, 10 and 15 have been rejected under 35 U.S.C. §112, second paragraph, as being indefinite. According to the Examiner, “the recitation in claims 9 and 15, respectively, “in an amount of about 50 mg/day to about 100 mg/day” and in an amount of about 100 mg/kg to about 300 mg/kg” render the claims indefinite.” Claim 10 is rejected as being dependent upon a rejected base claim.

Claim 9 recites the amount of **vitamin B6** to be “about 50 mg/day to about 100 mg/day.” Claim 15 recites the amount of **GABAergic agent (GVG)** to be “about 100 mg/kg to about 300 mg/kg.” Both the amount of vitamin B6 and the amount of GVG are recited in definitive terms. In effort to clarify what is being claimed, Applicants have amended claim 15 to depend from claim 10. The claims are definitive. Applicant respectfully requests reconsideration and withdrawal of the rejection.
